Dear Parent/Caregiver,

At Marsden State School, we offer an after-school Culture Club for those students who would like some additional assistance with their school work, as well as learn about different cultures. Culture Club operates every Monday, Tuesday and Wednesday afternoon in the library from 2:40pm to 3:20pm.

Culture Club students will be taught various Indigenous cultural practices such as dance, art, craft, as well as be provided with the opportunity to learn and engage in other cultures. If you or someone you know has a particular interest or knowledge in an area, and are willing to share that knowledge with our students, we would love to invite you along to one of our afternoon sessions.

Students will be expected to arrive on time prior to the roll being marked, and will not be chased if they do not attend. Culture Club will be capped at 30 participants and as there is demand for this club, if your child misses 2 sessions, they will be removed from the club and replaced with another student from the waiting list.

The Culture Club will be staffed by Sharlene Blanco (Teacher Aide) and Leilani Holt (Community Engagement Counsellor). Both of these ladies work in our school and possess the appropriate skills to assist your child. Once a student has completed their homework, he/she is invited to participate in other tasks.

Please ensure that you are on time to collect your child, or advise us if they will be walking or catching public transport home. In order for your child to start attending Culture Club, all you need to do is complete the below slip and return it to the Office.

We look forward to welcoming your child along and assisting them to achieve their educational goals.

Kind Regards

Don Hellwig
