Parent Helper Expression of Interest

Dear Parents/Guardians

Did you know that the educational outcomes of your child/ren are improved when you are involved with their school? Below are some opportunities to engage with our Marsden State School P&C and school community. This is an expression of interest form only and will be used to create a database of potential volunteers. You will be contacted closer to the event/s you select to check your availability. Please tick all tasks that interest you.

Our P&C Meetings are held on a Tuesday afternoon from 3:00pm in the Admin Office. We host approximately six meetings across the year, and exact dates can be found on the school website or the term calendars. Everyone is welcome.
